O'BRATE STADIUM

Oklahoma State began play in its new baseball complex, O'Brate Stadium, in 2021. Work on the $75 million project ($60 million in construction costs), which is located at the corner of Washington Street and McElroy Road, began in February 2018 and was completed during the spring of 2020.

Named after serial entrepreneur Cecil O'Brate, who gave $35 million toward the project, O'Brate Stadium was officially dedicated on August 14, 2020.

Inspired by Boone Pickens Stadium, the home of the Cowboys has several amenities that cater to fans and players alike. The complex includes 3,500 permanent seats, 11 suites and 420 premium seats in dedicated club and suite areas. Seating can be expanded to 8,000 as needed.

The concourse area encompasses the entire playing field and features restroom and concession stands down the first-base and third-base lines, plus restrooms and spaces for temporary options such as food trucks in the outfield. Other features of the concourse area are tailgating tents, refreshment areas down both the right field and left field lines, a dedicated student section with special loge seating and terrace seating in the outfield that serves families with young children and groups looking for space and the ability to move around freely while watching games.

A 2,000-square foot video board allows for top-of-the-line graphics and video content to further enhance the game day experience, and fans benefit from a large parking lot that accommodates about 600 vehicles beyond center field.

The playing surface is natural grass and features a top-of-the line drainage system. A second artificial turf infield is used for practice and is one-third of a maximum-efficiency "training triangle" area that also includes an indoor facility and a pitching lab that allows the Cowboys to practice year-round, regardless of weather conditions, without having to utilize the ballpark's main playing surface.

There are several notable cutting-edge technology features for swing training and pitching development built into the complex, including the TrackMan system, which measures pitch velocity, exit speed, launch angle, distance and more. Additionally, pitchers benefit from specialized equipment built for arm care and injury prevention.

Situated along the left-field line, the clubhouse and team room areas provide plush accommodations for the Cowboys, starting with a 7,400-square-foot locker room and player lounge space that has top-of-the-line lockers for each player. In that same area are a nutrition center that includes a sports performance pantry and fueling station and can accommodate the Cowboys' game day nutrition needs, a tiered-seated classroom that seats 50 and a fully modernized grand entrance that leads to the new operations center.

The operations center houses a sports medicine area with state-of-the-art hydrotherapy equipment, a modern weight room and a baseball-specific laundry center and equipment room. Former players have a dedicated space within the operations center that includes lockers they can utilize when returning to campus to continue their professional baseball training while finishing out their academic degree programs.

"Our vision was to build a facility that would allow us to develop players at the highest level, teach leadership concepts and principles, embrace the team concept and provide a first-class experience for our loyal fans and alumni," said head coach Josh Holliday. "When we set out to do this, we wanted to do it with our Stillwater community in mind and capture the same game day passion we see on display each Saturday at Boone Pickens Stadium and throughout the winter at Gallagher-Iba Arena. The end result was exactly what we wanted. We accomplished our goal, and it is beyond anything I could have envisioned."

The lead architects were Jim Hasenbeck and Joshua Hill of Studio Architecture, who have also worked on the Sherman Smith Center and the Greenwood Tennis Center in the OSU Athletic Village, along with several other facilities on campus.

"Similar to Boone Pickens Stadium and Gallagher-Iba Arena, the ballpark was built to let the fans be right on top of the action," Hasenbeck said. "There is only about 30 feet from the back of the batter's box to the first spectator row, which is located right at field level. The student section down the left field line is only about eight feet away from the foul line. The design was influenced by Boone Pickens Stadium and much like it and the Sherman Smith Center, this ballpark uses the same modified Georgian architecture seen throughout campus – it looks like an Oklahoma State building."

Manhattan Construction Company built the facility.

O'BRATE STADIUM

The home of Cowboy Baseball bears the name of the late Cecil O'Brate, who gave $35 million toward the project.

Born in Enid, Okla., O'Brate attended Oklahoma State (then Oklahoma A&M) from 1946-48 and went on to a career as a self-made serial entrepreneur. He was the owner, developer, and operator of multiple businesses in numerous and diverse industries such as agriculture, banking, manufacturing, energy, hospitality, real estate, alternative energy, medicine, and food science.

"OSU has always had a special place in my heart," O'Brate said. "My time at what was then Oklahoma A&M provided a strong foundation for the successes I have achieved over the years. I am honored to give back to the university that gave me my start 70 years ago. When I look at OSU today, I see a university that continues to enrich and inspire students. These students will carry the traditions and heart of OSU out into the world. For that reason, I am proud to give to OSU and the new generations of Cowboys. Go Pokes!"

"This is a dream come true," said OSU head coach Josh Holliday. "This facility allows us to attract the very best players from Oklahoma and from around the nation. We are thankful to Mr. O'Brate for giving us the opportunity to offer our players and loyal fans the most amazing college baseball experience in the country. Our program has a very proud history and this facility allows us to create new traditions that will help us as we build for the future."

BIG 12 CONFERENCE

THE BIG 12 CONFERENCE

The Big 12 embarks on its 29th year as one of the nation's premier athletic conferences, under the leadership of Commissioner Brett Yormark for the third year. In his first two years, Yormark has raised the Conference to new heights, emphasizing marketing, brand building and storytelling that has resonated across the college athletics landscape.

The Big 12 will be comprised of 16 members beginning Aug. 2, 2024, when the Conference welcomes Arizona, Arizona State, Colorado and Utah. BYU, UCF, Cincinnati and Houston joined the league July 1, 2023, while TCU and West Virginia were the first new additions since inception when they entered the league July 1, 2012. Baylor, Colorado, Iowa State, Kansas, Kansas State, Oklahoma State, and Texas Tech are legacy members.

After a successful and innovative first year in the league office, Yormark and his staff continued to revamp college sports which included the debut of a Super Bowl-style halftime show at the 2023 Dr Pepper Big 12 Football Championship featuring Nelly. The Championship was live-streamed in New York City's Times Square and televised in 144 countries. The Conference entered an agreement with Kansas City and the T-Mobile Center to keep the Big 12 Basketball Championships in KC through 2031 while announcing the launch of an All-Access Pass to provide unprecedented access and premium hospitality for future championships. The 2024 Championship featured the return of Shaquille O'Neal's DJ Diesel performing following the men's championship game to over 13,000 fans. The league also announced that it will call Kansas City home for the Sprouts Farmers Market Big 12 Soccer Championship at CPKC Stadium, home of the NWSL's Kansas City Current.

Spring marked the first-ever Big 12 Pro Day as 137 draft-eligible Big 12 football players, scouts and front office representatives from every NFL team participated in the five-day event, at The Star in Frisco, Texas. "Big 12 Homecoming" made its debut during the 2023 football season at the four new members' campuses with additional Conference members featured in future seasons. During Black History Month, the Big 12 partnered with Muhammad Ali Enterprises to introduce an Ali-inspired shooting shirt that each men's and women's basketball team wore during warmups. In May, the league hosted its second annual Big 12 Business Summit where campus stakeholders gathered to hear from industry leaders and collaborate on best practices.

In the 2023 fall season, the Big 12 was the only conference to have a national top-four finish in every sport it sponsors, highlighted by a national championship from Oklahoma State Men's Cross Country, its first since 2012 and fifth overall. The winter saw the Texas Tech men capture the 2024 NCAA Indoor Track and Field National Championship, the program's second all-time title and first one indoors. In the spring, TCU men's tennis secured its first NCAA DI Championship in program history. NCAA individual titles were collected by 21 student-athletes. A Big 12 record-tying nine football teams secured bowl berths while over 50% of the league's men's and women's basketball teams advanced to the NCAA Tournament.

The Big 12 office is located in Irving, Texas.

He is the Big 12's fifth honoree since 2000. Since 1996, the Big 12 has 14 recipients of the NCAA Today's Top 10 award. COACHING STAFF

Josh Holliday

Head Coach | 13th season at OSU
Oklahoma State, 2004

Josh Holliday returned home to Stillwater in 2012 poised to lead the Oklahoma State baseball program back to national prominence, and he has done just that over the last dozen seasons.

Holliday took over OSU baseball on June 8, 2012, when he was named the 15th head coach in program history. The Oklahoma State alumnus and native of Stillwater had served the previous three seasons as an assistant coach at Vanderbilt and established himself as one of the nation's top assistant coaches over a span of just over a decade.

"I'm very honored and very humbled to be given an opportunity to come back to OSU and return to a place that has meant so much to me and my family over the past 30-plus years," Holliday said. "I'm excited about the unique opportunity to build a future with a program that celebrates and recognizes its proud history, embraces the current players and works towards a future that everyone will be proud of and unite behind.

"Our goal is going to be to approach every day with a tremendous amount of pride and discipline in becoming the best we can be in every facet of our lives, as coaches, as players and anyone involved with our kids. We're going to work to win each day, and over the course of time we're going to work to win a national championship. We're going to do that together and do it in a way that enhances our players' lives academically, socially and athletically. I hope that plan of attack and approach is going to train our players with an approach that will stay with them the rest of their lives."

Holliday's hire has paid huge dividends as he has led the OSU program back to national prominence in his first 12 seasons at the helm.

Since Holliday took over the reins, the Cowboys have never failed to make the postseason as he has guided them to 11 NCAA Regional appearances. During his tenure, the program has also celebrated five Big 12 Conference championships, including the program's first-ever regular season title, three NCAA Super Regional berths and a return to the College World Series for the first time since his playing days in 1999.

Over the last 12 years, OSU has won 445 games, the second-highest win total among Big 12 teams during that span, and has finished first or second in the conference standings eight times. His win total ranks as the second highest in program history, trailing only Gary Ward's 953.

OSU's time under Holliday has also yielded 102 All-Big 12 Conference performers, 72 Major League Baseball Draft picks, 16 All-Americans, three Big 12 Newcomer of the Year winners, two Big 12 Pitcher of the Year honorees and a Big 12 Player of the Year.

The Cowboys have also raised their performance in the classroom under Holliday. OSU has earned the ABCA Team Academic Excellence Award each of the last five years, posting a team grade point average above 3.0 from 2020-24.

During his tenure, the program has counted over 100 graduates, and a dozen of those graduated with honors.

OSU has had 148 Academic All-Big 12 performers under Holliday, including a conference-record 20 in 2021. In 2024, Nolan Schubart became the sixth Cowboy in program history to earn Academic All-America honors, and Zach Ehrhard was named OSU's first-ever Big 12 Baseball Scholar-Athlete of the Year.

OSU is coming off a 2024 season in which the Cowboys posted a 42-19 record, leading the Big 12 in wins and marking their third-straight 40-win campaign. They were ranked as high as No. 14 in the final national polls.

The '24 Cowboys had a long list of accomplishments, including:

- OSU won the Big 12 Championship title, marking the sixth Big 12 crown in program history and its fourth tourney title.
- The Cowboys earned an 11th consecutive NCAA Regional bid, marking the fourth longest streak in the nation, and was selected as a Regional host for the third-straight year, the only program in the nation to host each of the last three years.
- Three Cowboys - Carson Benge, Brian Holiday and Nolan Schubart - earned All-America honors. Nine players collected All-Big 12 honors.
- OSU ranked in the top 10 nationally in numerous categories, including home runs, walks, strikeouts (pitching), strikeout-to-walk ratio and WHIP. The Cowboys led the Big 12 in homers, runs, RBIs and walks.
- Eight Cowboys were selected in the MLB Draft, the third most of any program in the nation, and Carson Benge was the 20th first-round pick in program history.

In 2023, the Cowboys went 41-20 and captured a share of the Big 12 regular season championship with a 15-9 mark. OSU was also an NCAA Regional host for the fifth time under Holliday and was the No. 11 national seed in the tourney.

Three Cowboys — Nolan Schubart, Roc Riggio and Isaac Stebens — earned All-America honors in 2023, and Schubart and Carson Benge were tabbed Freshman All-Americans.

OSU also tied a program record with nine combined first- and second-team All-Big 12 selections, and the Cowboys had the Big 12 Freshman of the Year in Schubart and Newcomer of the Year in Tyler Wulfert.

The 2023 team posted a .301 team batting average and slugged 108 home runs, its most since 1999, while the pitching staff topped 600 strikeouts for the second consecutive season.

OSU had six players selected in the 2023 MLB Draft, with five of those taken in the first 10 rounds.

In 2022, OSU posted a 42-22 record, finishing second in the Big 12 Conference standings (one game out of first) and was awarded the No. 7 national seed in the NCAA Tournament, its highest ever. The Cowboys advanced to an NCAA Regional final for the sixth time under Holliday.

The 2022 season also saw three Cowboys - Justin Campbell, Jake Thompson and Nolan McLean - earn All-America honors, while Roc Riggio was a Freshman All-American. Twelve Pokes collected All-Big 12 accolades.

Nine OSU players heard their names called in the 2022 MLB Draft, and the nine draft picks tied for third most in Division I in '22 and were the fourth most in program history. A record seven of those Cowboy draft picks were selected in the top 10 rounds.

Holliday led the Cowboys to the NCAA Tucson Regional in 2021 in a season that saw him record his 300th career win and guide OSU to the Big 12 Championship title game for the fifth time in eight tournaments. The season also saw the program add two more All-Americans to its list in Christian Encarnacion-Strand and Justin Campbell.

OSU ended the COVID-19 shortened 2020 season 13-5, which came on the heels of a 2019 season in which it finished 41-20 and advanced to its third NCAA Super Regional under Holliday, where the Cowboys were one win shy of a College World Series berth. The Pokes finished No. 11 in the final national rankings.

After winning the 2019 Big 12 Championship title, the program's 33rd conference crown, the Cowboys were awarded the No. 9 national seed in the NCAA Tournament and were the top seed at the NCAA Oklahoma City Regional, which OSU hosted at Chickasaw Bricktown Ballpark. The Pokes would claim the Regional championship, their third under Holliday, to advance to the NCAA Lubbock Super Regional.

Other notable accomplishments for the 2019 club include:

- Nine Cowboys earned All-Big 12 honors.
- OSU swept a three-game series at No. 2 Oregon State, marking the first time the defending NCAA champion Beavers had been swept on their home field since 2010.
- The Cowboys hit 93 home runs, the fourth most in the NCAA in 2019 and the highest total by an OSU team since 1999.
- OSU hit a school-record 12 home runs in its series opener at Kansas. The Cowboys' 12 round trippers in the 27-6 win tied for the fourth most in a single game in NCAA history.

In 2018, OSU finished second in the Big 12 standings, just one win shy of a title, as they swept four conference series. The Cowboys had 11 all-conference performers, including Big 12 Newcomer of the Year Matt Kroon, and earned a berth in the NCAA DeLand Regional where they advanced to the finals.

OSU made history in 2017 when it became the first No. 8 seed in Big 12 history to win the conference tournament. The Cowboys went 4-0 at the tourney to secure the league's automatic NCAA Regional bid.

Holliday began laying a foundation for success immediately and that culminated with the Cowboys returning to Omaha and the College World Series in 2016.

OSU's impressive '16 run saw the Pokes make their 20th College World Series appearance, and Holliday became one of only 17 people in NCAA history to reach the CWS as both a player and head coach after playing for OSU teams in 1996 and 1999 that advanced to Omaha.

COACHING STAFF

Holliday, who was named the 2016 ABCA/Diamond Midwest Regional Coach of the Year, guided OSU to a 43-22 overall record, and the Cowboys finished the season ranked No. 4 in the final national polls.

Other 2016 highlights:

• OSU went 7-0 in their first seven NCAA Tournament games and never trailed in any of those contests as they went 3-0 at the NCAA Clemson Regional before winning the first two games of the NCAA Columbia Super Regional against South Carolina to advance to the CWS. The Cowboys then won their first two games in Omaha, both by 1-0 counts to mark the first time in history a team recorded back-to-back 1-0 shutouts at the CWS.

• For the first time in program history, OSU swept three Big 12 road series in a single season.

• Nine Cowboys earned All-Big 12 honors, while Thomas Hatch was named the Big 12 Pitcher of the Year.

• OSU had two players — Hatch and Donnie Walton — achieve All-America status.

• A program record 11 players were selected in the 2016 Major League Baseball Draft. That total marked the third most of any Division I program in 2016.

OSU's magical 2016 season continued a winning trend that Holliday established immediately in his first season in 2013 when he led the Cowboys to a 41-19 record and the finals of the NCAA Louisville Regional.

OSU's 41 wins in 2013 was its most since 2008, and the Cowboys' second-place finish in the Big 12 Conference was also its best in five years.

Under Holliday's direction, the Cowboys won five of their eight Big 12 series, including four in a row to end the season.

Among the other highlights in year one of the Holliday era were:

• OSU was nationally ranked for the final 13 weeks of the season. The Cowboys climbed to as high as No. 12 and finished the season with a high ranking of 19th.

• The Cowboys had 18 come-from-behind wins.

• OSU had 11 players garner All-Big 12 accolades, its most since 2008.

• The OSU pitching staff recorded its lowest ERA since 1973, while the Cowboys led the Big 12 in doubles and walks and ranked second in batting average, slugging percentage, home runs and on-base percentage.

OSU's second season under Holliday was even better, and he became the first-ever Cowboy skipper to be named the Big 12 Conference Coach of the Year.

In 2014, the Cowboys went 48-18, marking the most wins for the program since 1994. OSU captured the Big 12 regular season crown with an 18-6 mark, then went on to win the NCAA Stillwater Regional championship and advance to the NCAA Stillwater Super Regional, its first Super Regional appearance since 2007.

OSU was ranked in the national polls throughout the 2014 campaign and finished the year ranked 10th in each of the final national polls, its first top 10 final ranking since 1999.

The 2014 season also saw the Cowboys:

• Record 28 come-from-behind wins.

• Win their final seven Big 12 Conference series .

• Turn in a 12-game winning streak, its longest since 2008.

• Host an NCAA Regional at Allie P. Reynolds Stadium for the first time since 2008.

• Rank in the top 10 nationally in five categories, including home runs, walks, sacrifice bunts and winning percentage.

Further adding to the accolades, 2014 also saw a pair of Cowboys — Brendan McCurry and Zach Fish — earn All-America honors. Fish was named the Big 12 Player of the Year and was one of 11 Cowboys to garner All-Big 12 accolades, which included a school-record six first-team honorees.

The success continued in year three of the Holliday era as OSU went 38-20 and hosted an NCAA Regional for the second-straight year.

Other 2015 highlights included:

• OSU finished second in the Big 12 Conference regular season standings, marking the third consecutive year the Cowboys finished in the top two of the league.

• OSU finished as high as No. 17 in the final national polls, earning that ranking from *DIBaseball*.

• The Cowboys were ranked in at least one national poll every week of the 2015 season, running their streak of consecutive weeks in the national rankings to 48 dating back to 2013. They peaked at No. 5 in the polls in '15.

• Michael Freeman became the 23rd player in OSU history to be named a first-team All-American and the second to earn Big 12 Conference Pitcher of the Year honors.

• The Cowboys ranked eighth nationally in ERA. Their 2.84 ERA was the lowest by an OSU pitching staff since 1973.

Holliday is the first former OSU player to serve as the program's head coach. A four-year letterwinner for the Cowboys from 1996-99, Holliday was a starter on Cowboy teams that made four NCAA Tournament appearances and reached the College World Series in 1996 and 1999.

During a career that spanned 256 games, which ranks second all time at OSU, Holliday compiled a career .311 batting average to go along with 53 home runs, 62 doubles and 237 RBIs. He was inducted into the OSU Baseball Hall of Fame in 2003.

Holliday's name is prominent throughout the OSU record book. He is OSU's all-time leader in base on balls with 225 and also ranks in the top five on the Cowboys' career lists in games, at bats, runs, hits, doubles, total bases, RBIs and hit by pitches. He also ranks seventh all-time in homers.

Holliday was a three-time All-Big 12 performer, earning first-team honors in 1998 (at catcher) and 1999 (at third base). He was a second-team selection as a utility player in 1997 and was named the Big Eight Conference Freshman of the Year and a Freshman All-American in 1996.

Also a standout in the classroom at OSU, Holliday was a first-team academic all-conference honoree in each of his four seasons, earning that distinction in both the Big Eight (1996) and Big 12 (1997-99) Conferences. He was named an Academic All-American and the OSU Male Student-Athlete of the Year in 1999.

Holliday was selected in the 1999 Major League Baseball Draft by Toronto in the ninth round and spent two years in the Blue Jays organization. Following his professional baseball career, Holliday returned to Stillwater and joined the OSU coaching staff, where he served as an assistant for three seasons. He was a student assistant in 2001 before joining the full-time staff the following year.

Holliday left Stillwater to continue his coaching career in 2004, and over an 11-year span, he served as an assistant coach at some of the nation's top baseball programs, serving stints on the staffs at North Carolina State, Georgia Tech, Arizona State and Vanderbilt. He coached on seven NCAA Tournament teams and three of those advanced to the College World Series (Georgia Tech in 2006, Arizona State in 2009 and Vanderbilt in 2011).

In 2004, Holliday joined the coaching staff at North Carolina State and helped that team reach an NCAA Regional.

Following that season, he moved to Georgia Tech and in his first year was part of the Yellow Jackets' ACC regular season and tournament championships. During that 2005 season, Georgia Tech ranked in the top five nationally in batting average and runs per game. The following year, the Yellow Jackets reached the College World Series.

In 2008, Holliday was on the staff at Arizona State and helped bring in the top recruiting class in the nation, which helped the Sun Devils reach the 2009 College World Series.

Following two years in Tempe, Holliday joined Tim Corbin's staff at Vanderbilt and in three seasons as an assistant and the program's recruiting coordinator, Holliday was a part of three NCAA Tournament teams, including the Commodores' 2011 College World Series team.

Holliday once again proved his skill as a recruiter at Vandy as he landed the 12th-ranked incoming class in his first season and signed the top-ranked class in 2011 by bringing in 13 new players.

A prep standout on both the baseball diamond and gridiron at Stillwater High School, Holliday was drafted in the 14th round of the 1995 Major League Baseball Draft by Minnesota. He was the USA Today Gatorade Player of the Year in Oklahoma and a Mizuno/Collegiate Baseball High School All-American as well as co-valedictorian of his graduating class.

Holliday is the son of Tom Holliday, who served as OSU's assistant coach from 1978-1996 and was the program's head coach from 1997-2003. Holliday's younger brother, Matt, was a seven-time Major League Baseball All-Star outfielder and now serves on the Cowboy Baseball coaching staff.

Holliday is married to the former Jenny Moore, and the couple has two children, Olivia and Brady.

COACHING STAFF

Rob Walton

Assistant Coach/Pitching Coach
13th season at OSU

Former Oklahoma State standout Rob Walton returned to Stillwater in June 2012 to join Cowboy head coach Josh Holliday's staff as pitching coach.

A 2018 inductee into the Cowboy Baseball Hall of Fame, Walton's tutelage has been a significant key to OSU's resurgence over the last 12 seasons, with his pitching staffs a key force behind a run that includes a College World Series berth, 11 NCAA Regional appearances, three NCAA Super Regionals and four Big 12 Conference championships. In 2016, he was named the ABCA/Baseball America Assistant Coach of the Year in college baseball.

"Pitching and defense are the keys to winning at any level," Walton said. "We want to be able to put together a pitching staff that is in the top 10 in the country year in and year out. We have to recruit really good athletes who have an opportunity to get better and get our pitching staff among the best in the country. If we can, that will give us an opportunity to win every game that we play."

The Cowboys' success under Walton includes 41 All-Big 12 pitchers, seven All-Americans, two Big 12 Pitcher of the Year honorees and 41 Major League Baseball Draft picks, including a pair of first rounders.

Additionally, OSU's pitching staff led the Big 12 in ERA in conference-only games in 2014 and 2015, and the '15 group turned in the lowest ERA by a Cowboy pitching staff in over 40 years.

OSU is coming off a 2024 season in which its pitching staff tallied 663 strikeouts, the second-highest single season toal in program history. It marked the third consecutive season the Cowboys topped 600 Ks in a season, which is the only three times in program history it has occurred. The 663 strikeouts ranked eighth nationally, and the staff was second in the NCAA with a 3.35 strikeout-to-walk ratio.

Additionally, the Cowboys ranked in the top 10 nationally in strikeouts per nine innings and WHIP, and they led the Big 12 and ranked 11th in the nation with a 4.08 ERA.

Under Waltons tutelage, Brian Holiday earned All-America honors in 2024, and Holiday and Sam Garcia both recorded 100 strikeouts on the season, marking only the fifth time in program history the Cowboys have had two pitchers reach the century mark in the same season.

In 2023, OSU's pitching staff racked up 627 strikeouts and ranked seventh nationally with 10.7 strikeouts per nine innings. That season also saw the emergence of Isaac Stebens into an All-American who led the Big 12 with a 2.24 ERA that ranked 10th nationally.

In 2022, OSU's pitching staff shattered the program record for strikeouts in a season with 679. Led by two-time All-American Justin Campbell, the Cowboys ranked fifth nationally in punchouts and seventh in strikeouts per nine innings at 10.7.

The 2022 staff also had six hurlers collect All-Big 12 honors, and seven pitchers were selected in the '22 Major League Baseball Draft.

Walton made an immediate impact in his first season back in Stillwater. The Cowboys' pitching staff finished with a 3.04 ERA, the lowest by an OSU staff since 1973, and ranked in the top 10 nationally in strikeout-to-walk ratio.

Under Walton's guidance, six Cowboys earned All-Big 12 accolades in 2013 and a pair of Cowboy hurlers finished in the top 10 in the Big 12 Conference in ERA. He also helped Jason Hursh develop into a first-round draft pick of the Atlanta Braves in the Major League Baseball Draft in June.

In 2014, OSU finished second in the Big 12 in strikeouts and saves, and two Cowboy hurlers — Vince Wheeland and Jon Perrin — ranked in the top 10 in the league in ERA and wins. Walton also coached a trio of All-Big 12 First Team hurlers (Wheeland, Perrin and Brendan McCurry), while McCurry set OSU's single-season and career saves records and was a consensus All-American.

Walton's third OSU staff also shined. The Cowboys ranked eighth in the NCAA in 2015 with a 2.84 team ERA, the lowest by an OSU group since 1973. In Big 12 Conference play, that ERA dipped to a league-best 2.50.

The 2015 season also saw Walton pupil Michael Freeman blossom into one of college baseball's top pitchers. The southpaw was a consensus All-American and the Big 12 Pitcher of the Year, and he ranked sixth nationally with a 1.31 ERA, the fifth lowest in a single season in OSU history.

The 2016 season saw OSU return to the College World Series for the first time since 1999, and pitching was the biggest reason why.

Led by All-American and Big 12 Pitcher of the Year Thomas Hatch, the Cowboys racked up 10 shutouts, 574 strikeouts and 21 saves, all of which ranked as the second-highest totals in program history.

In the postseason, OSU's pitching staff carried it to Omaha. The Cowboys turned in a 1.58 ERA in their nine NCAA Tournament games, the lowest of any team in the tourney, as they allowed only 14 earned runs in 80 innings and also tossed a tournament-best three shutouts.

At the College World Series, where OSU finished third, the Cowboys opened play with consecutive 1-0 wins, marking the first time in history a team recorded back-to-back 1-0 shutouts at the CWS.

Seven pitchers off OSU's 2016 pitching staff were drafted by Major League Baseball, with Hatch's third-round selection leading the way.

In 2019, OSU's pitching staff tossed seven shutouts, the sixth most in the NCAA that season. The total tied for the fourth highest in a single season in program history and marked only the seventh time the Cowboys have posted seven or more shutouts in a season — four of those seasons have come under Walton's guidance.

Walton's tutelage resulted in Jensen Elliott leading the Big 12 with 10 wins in 2019, and he also finished his career with 22 wins, the 10th most in OSU history. Additionally, Parker Scott turned in a Big 12-best 1.11 ERA in conference games.

Five members of the Cowboys' pitching staff were selected in the 2019 MLB Draft, including top-10 rounders Logan Gragg and Peyton Battenfield.

In 2021, Walton helped mold Justin Campbell into an All-American, and the Cowboys tossed seven shutouts, the 11th most in the NCAA on the season and the fourth highest total in a season in program history.

Prior to returning to Stillwater, Walton spent the previous 14 years at Oral Roberts University in Tulsa, where he was the Golden Eagles' head coach for nine seasons. He was a four-year letterwinner as a pitcher at OSU from 1983-86 and played on four College World Series teams for the Cowboys.

In his nine seasons at the helm of ORU, Walton compiled a 367-167 (.687) record and was named the Summit League Coach of the Year five times. Under his direction, the Golden Eagles were an NCAA Tournament team each year and produced five seasons with 40 or more wins, including a 50-win campaign in 2004.

In his 14 seasons in Tulsa, Walton helped ORU produce 16 All-Americans, 14 conference player or co-players of the year and 12 conference pitchers of the year. Additionally, the Golden Eagles had 45 players selected in the Major League Baseball Draft over that span.

During Walton's tenure, ORU continued its record streak of conference championships, which reached 15 in 2012. With Walton as head coach, the Golden Eagles made nine NCAA Regional appearances and reached a Super Regional in 2006.

"We're really excited to bring someone of Rob's caliber to the program. He possesses the talents and character traits that identify our mission to develop and groom our players in an environment where teaching, discipline, passion, the ability to develop a person in all phases of their life, on the field and off, are the focus, as is the commitment to building a championship team," Holliday said. "When this opportunity to bring Rob into our program presented itself, and after sitting and talking with him and his family and sensing the true passion for Oklahoma State, his unique and well-known talents in the game and his desire to team up and pour himself into the kids and help us become great, it was just a tremendous fit.

"His history is of great value. He will be as good a mentor and teacher of pitching that any young athlete could hope to find. His reputation and credibility amongst the baseball community in the state of Oklahoma and across the country will enhance our recruiting efforts tremendously. He's a winner, he's a Cowboy, and he's got a tremendous amount of energy to get started and be a part of what we're doing."

In four seasons as a pitcher at OSU from 1983-86, Walton compiled a 20-3 record and 3.74 ERA in 54 appearances. In 204.2 career innings, he collected 147 strikeouts and tossed 10 complete games.

As a senior, Walton led the Cowboys in wins and was 13-2 with a 3.20 ERA in 19 appearances. He also tossed nine complete games, the fourth most in a single season in OSU history.

Following his OSU playing career, Walton was drafted by Baltimore in the 25th round of the 1986 Major League Baseball Draft and spent four seasons in the Orioles organization.

After his stint as a player, Walton spent time as an area supervisor for the Cleveland Indians before joining the coaching ranks at Oral Roberts.

In addition to his success at ORU, Walton served as the head coach of the 2008 USA Baseball National Team and led the club to the FISU Gold Medal. He also served as an assistant on the 2005 and 2011 USA Baseball teams.

Walton was a three-sport star at Rutherford (N.J.) High School, earning All-State honors in baseball, basketball and soccer. He was a sixth-round draft pick of the Texas Rangers in 1982.

Walton and his wife, Michelle, have three children — Davis, Donnie and Cassie. Donnie was an All-American shortstop for the Cowboys, starring from 2013-16, and made his Major League Baseball Debut in 2019 with Seattle.

COACHING STAFF

Mark Ginther

Assistant Coach | Sixth season at OSU
Oklahoma State, 2013

Mark Ginther returned to Oklahoma State as an assistant coach and the Cowboys' recruiting coordinator in July 2023.

A former player and staff member for the Cowboys, Ginther spent five seasons as an assistant coach at West Virginia from 2019-2023. The Tulsa native was a standout infielder for the Pokes from 2009-12 before serving four seasons on the OSU staff from 2015-18.

"Mark is coming back home after being part of a very successful West Virginia program that has put together some of the best teams in school history in recent years," Holliday said. "He has an outstanding understanding of the game and a passion for all phases of the game. He will lead our defensive efforts and his expertise in infield play will be a big part of building a championship team. In addition, he will provide daily instruction as we build our team offensive concepts. The experience he has gained on the recruiting side has been invaluable, and he will help organize our efforts to bring top-notch talent to campus and develop those players upon arrival.

"During Mark's time here on staff, he was a valuable part of a College World Series team and a Big 12 championship club. It couldn't have been clearer to me in the process of putting the staff together that Oklahoma State Baseball is what he is all about, and he is prepared to put the work in to help the program continue to grow."

In his first season back in Stillwater as an assistant, Ginther coached All-Americans Carson Benge and Nolan Schubart and helped develop Benge into a MLB Draft first-round pick.

The '24 season saw the Cowboys belt 118 home runs, the seventh most in program history and their highest total since 1999. OSU led the Big 12 in homers, runs, RBIs and walks.

In his time at West Virginia, Ginther was instrumental in helping sign some of the top recruiting classes in program history while serving as the infield coach and assisting with the Mountaineers' hitters.

With Ginther on staff, WVU made NCAA Regional appearances in 2019 and 2023 and earned the first Big 12 championship in program history with a shared regular-season title in 2023.

In Ginther's first season in 2019, the Mountaineers hosted an NCAA Regional and finished the season ranked No. 19 while also setting a program record with eight Major League Baseball Draft picks and 11 All-Big 12 honorees.

The 2022 season saw WVU set a program mark for Big 12 wins and rank second nationally in stolen bases with 156, and in 2023, the Mountaineers counted 15 conference wins and 13 All-Big 12 honorees, including the league's player of the year.

Ginther helped coach 17 MLB Draft picks at WVU and under his tutelage, seven position players earned All-Big 12 status while J.J. Wetherholt became a consensus All-American second baseman in 2023.

A standout third baseman for the Cowboys, Ginther was a two-time All-Big 12 Honorable Mention performer. In 209 career games, he hit .296 with 32 home runs, 140 RBIs and 50 doubles, and he ranks in the top 10 in program history in career at-bats, doubles and sacrifice flies.

Ginther was a three-time Major League Baseball Draft pick, the first time out of Jenks High School in 2008 and then again in 2011 and 2012.

Following his senior season with the Cowboys, he signed with the Arizona Diamondbacks after being selected in the 24th round and played one professional season at the Class-A level.

Ginther joined the OSU staff in 2014 as a graduate manager before serving as the program's player development coordinator in 2015.

In his first season as a volunteer assistant coach for the Cowboys in 2016, he served as first base coach on OSU's College World Series team. He was also the volunteer assistant for the 2017 Big 12 championship team and again in 2018.

Ginther and his wife, Taylor, have two children, Blair and Tripp.

Assistant Coach | Ninth season at OSU
Oklahoma State, 2013

Victor Romero has been a part of the OSU program for over a decade, first as a standout catcher for the Pokes then through serving in numerous capacities within the program before joining the coaching staff as an assistant in July 2023.

Romero is now in his ninth season on the full-time staff with OSU baseball.

"Victor was a leader on our first team here the year I got hired – he had a team-first attitude and ran the team from behind the plate on an NCAA Regional team," Holliday said. "He was also a member of our coaching staff on the 2019 NCAA Super Regional club and mentored All-Big 12 catcher Colin Simpson along the way, and he has been integral part of our program's success during my tenure here.

"The catching position will be in great hands with him leading our guys. Victor has worked with me side-by-side the past several years in all phases of the program and will thrive in his new role on the field, working with the catchers and helping develop our offensive skills while taking on a major role in the recruiting process."

In his first season as an assistant in 2024, Romero coached All-Americans Carson Benge and Nolan Schubart and helped develop Benge into a MLB Draft first-round pick.

The '24 season saw the Cowboys belt 118 home runs, the seventh most in program history and their highest total since 1999. OSU led the Big 12 in homers, runs, RBIs and walks.

Prior to joining the coaching staff, Romero had served as the Cowboys' director of baseball operations since August 2019.

Romero spent the 2018 season as the Cowboys' volunteer assistant coach, where he helped lead OSU to Big 12 and NCAA Regional championships and the fifth NCAA Super Regionals appearance in program history, where the Pokes fell one win shy of a College World Series berth.

Romero joined OSU's full-time staff in 2017 as the director of player development after spending three seasons as the Cowboys' graduate manager.

As the director of player development, Romero spent much of his time heavily involved in the Cowboys' academic welfare. During his tenure, the program thrived academically, setting a number of records in the classroom. He also assisted the coaching staff in developing practice plans and compiling scouting reports along with various other duties.

A native of California, Romero was a catcher for the Cowboys during the 2012 and 2013 seasons. As a senior, he was an All-Big 12 Conference Second Team selection and a semifinalist for the Johnny Bench Award, given to the top catcher in Division I baseball, as he helped lead OSU to the NCAA Tournament.

Romero was also named to the Academic All-Big 12 First Team in 2013 and was twice named to the Big 12 Commissioner's Honor Roll.

Romero came to OSU after two standout seasons at Solano Community College in Farifield, Calif., where he was an All-American and two-time all-conference pick.

A 2013 Oklahoma State graduate with a degree in University Studies, Romero completed a master's degree in leadership studies at OSU in 2017.

Oklahoma State was set to open O'Brate Stadium against TCU on March 20, 2020, but due to the global COVID-19 pandemic, the remainder of the '20 season was canceled on March 12.

After nearly a year of waiting, the Cowboys finally took the field for a game at O'Brate on Feb. 24, 2021 against Little Rock.

OSU celebrated opening day with a 7-2 victory in front of a limited-capacity crowd of 2,635.

Notable firsts from the opening season at O'Brate Stadium included:

• ***First first pitch:*** Cecil O'Brate, the 92-year old entrepreneur and stadium namesake who gave $35 million towards the complex.

• ***First at-bat:*** Little Rock's Eldrige Figueroa

• ***First strikeout:*** OSU pitcher Justin Campbell, who struck out the first three batters in the Little Rock lineup in the first inning.

• ***First base runner:*** OSU's Matt Golda, who was hit by a pitch to lead off the bottom of the first.

• ***First base on balls:*** The Cowboys' Jake Thompson drew a one-out walk on four pitches in the first inning.

• ***First hit:*** Little Rock's Canyon McWilliams, who singled in the second inning.

• ***First OSU hit:*** Cade Cabbiness, who delivered a double to left-center field in the bottom of the second.

• ***First RBI:*** OSU's Hueston Morrill, who drove in the Pokes' first run with a single in the second inning.

• ***First run scored:*** Alix Garcia, who crossed the plate in the bottom of the second following a single by Hueston Morrill.

• ***First home run:*** OSU's Alix Garcia, who smashed a solo shot to right field in the fifth.

• ***First stolen base:*** Matt Golda, who swiped second base in the fifth.

• ***First winning pitcher:*** OSU right-hander Wyatt Cheney, who came out of the Cowboy bullpen and worked two innings while striking out three.

• ***First walk-off:*** Cowboy pinch hitter Justin Campbell's one-out single in the bottom of the ninth plated Dom Johnson from first to give OSU a 3-2 victory over Illinois State on Feb. 26.

• ***First shutout:*** OSU used four pitchers in a 6-0 blanking of Illinois State on Feb. 28 as Bryce Osmond, C.J. Varela, Tucker Elliott and Roman Phansalkar combined for the shutout.

• ***First save:*** Brett Standlee earned a save by working the final two innings against Grand Canyon on March 6 to preserve a 3-0 victory for the Cowboys.

• ***First tie:*** OSU and Grand Canyon played to a rare tie in the series finale as the game was called after nine innings with the score 4-4 due to GCU's travel curfew.

• ***First OSU loss:*** After winning their first six games at O'Brate before tying Grand Canyon, the Cowboys took their first loss in the series opener vs. Vanderbilt on March 13.

• ***First OSU win over a ranked opponent:*** The Cowboys defeated No. 2 Vanderbilt, 10-6, in the weekend series finale on March 14.

• ***First Big 12 Conference win:*** OSU beat Kansas State 14-5 in the first-ever Big 12 game at O'Brate; the Cowboys went on to sweep the series.

• ***First Bedlam:*** OSU hosted Bedlam-rival Oklahoma in a non-conference midweek affair on March 30 and collected a 5-4 win compliments of Caeden Trenkle's walk-off single in the ninth inning.

• ***First run-rule win:*** The Cowboys claimed an eight-inning run-rule victory in their series finale with West Virginia as OSU came out on top, 21-11.

• ***First player to hit for the cycle:*** OSU's Christian Encarnacion-Strand, who went 5-for-5 with a pair of home runs in a seven-inning win over UAPB on April 21.

• ***First pitch from a U.S. President:*** On May 20, O'Brate Stadium was officially dedicated in front of an OSU baseball record crowd of 6,362; prior to the game vs. New Orleans, the 43rd President of the United States, George W. Bush, threw out a ceremonial first pitch.

ALLIE P. REYNOLDS STADIUM

Allie P. Reynolds Stadium, which was named for Oklahoma A&M and Major League Baseball star Allie P. Reynolds, hosted its first game on April 4, 1981, with Oklahoma State taking on Missouri. Over 40 seasons, Allie P. was home to some of the best players and teams in college baseball history, and a place that gave the Cowboys a true home field advantage.

The 2020 season marked the final for the storied stadium, with OSU playing 11 games at the venue. The Cowboys went 10-1 at Allie P. in 2020, with a 7-1 win over Saint Louis on March 11 marking the final game.

Four decades worth of memories will be cherished. The vision of head coach Gary Ward and the generosity of Allie P. Reynolds helped the stadium become a reality and led to countless great players thriving in Stillwater, names like Incaviglia, Ventura, Fariss, Guiel, Smith, Bell, Wright and Walton, just to name a few.

During its time, Allie P. was home to 12 College World Series teams, 20 conference champions and 18 First-Team All-Americans, and the Cowboys posted an all-time record at Reynolds Stadium of 945-248-1, a winning percentage of .792.

1959 NATIONAL CHAMPIONS

By Bill Platt

Oklahoma State has an NCAA Baseball Championship trophy.

It was won 51 years ago in 1959 by coach Toby Greene in his third trip to the College World Series in Omaha, Neb., and he won it with a team that was not expected to do much.

The preseason prospectus for 1959 read, "The baseball outlook for coach Toby Greene's 16th edition of Cowboy baseball is quite questionable. Despite the return of key members from last year's pitching staff, it's hard to consider the Pokes much of a threat with graduation, grades and the pros robbing the veteran OSU mentor of all but one of his starters."

Only left fielder Don Soergel (.313) was back, along with veteran hurlers Roy Peterson (6-2), Joel Horlen (6-3) and Dick Soergel (4-0). Pitching strength and depth were the only bright spot for the ballclub with the rotation of veterans Peterson, Horlen and Soergel.

The 1959 season opened with a southern swing that consisted of four non-conference games – two against Rice and two against Houston with Oklahoma State winning three-of-four.

The regular season consisted of 21 Big Eight Conference games which was normal for the 1950s. The conference series were three-game, round-robin affairs consisting of two seven-inning games on Friday and a single nine-inning game on Saturday. Teams were not allowed to start early, and there were not any makeup days allowed. The Cowboys won the conference title with a 17-3 record by battling off Iowa State and Missouri in the last two series.

Greene set his lineup quickly in 1959 which was a necessity with only four non-conference games.

The catching duties were handled by Ray Bond, a sophomore from Oklahoma City Capitol Hill, with Tim Smalley, a junior from Stillwater, serving as the backup.

Grayson Mersch, a sophomore from Jay, won the first base job in a three-way battle. Mersch was one of the first in a long line of great fielding first basemen at Oklahoma State and possessed a major-league glove.

A brother combination — Bruce and Bob Andrew — provided the defense up the middle. Bruce, a sophomore, secured second base early in the season with his fine defensive play and a .300-plus batting average, while Bob was the shortstop. Bob, who had played two years previously, returned from military service to move into the hole created by Jerry Adair, who had signed with the Baltimore Orioles as a junior. Bob gave OSU solid defense, a good bat and much-needed leadership in an infield that had four sophomores.

The third-base job wasn't decided until after the conclusion of spring football when Jim Dobson came out for the team. Dobson, a sophomore from Oklahoma City Capitol Hill, had an outstanding year, finishing second on the team in home runs and RBI and winning the Most Valuable Player Award at the College World Series.

The outfield had three veterans with seniors Tim Green and Connie McIlvoy and juniors Ben Bancroft and Don Soergel. McIlvoy and Soergel shared leftfield, batting .319 and .350, respectively. McIlvoy came off the intramural field while Soergel was a returner who also played backup at first base and was the most effective pinch hitter as well.

Bancroft handled the duties in centerfield and the San Antonio, Texas, junior handled them extremely well. Bancroft had been used very little as a third baseman the previous season but proved to have a good arm and led the team in home runs and RBI while hitting .314. Green, a senior from Asher, was the starter in right field and, at 5-9, possessed good speed, power and a strong arm while hitting .279 and finishing third in home runs and RBI.

Front Row (L to R): Connie McIlvoy (Sr., OF), Win Chandler (Jr., P), Dick Soergel (Jr., P), Lew Wade (Jr. C), Ray Bond (So., C), Roy Peterson (Sr., P), Jim Mihura (Sr., P), Don Soergel (Jr., OF)

Back Row (L to R): Head Coach Toby Greene, Bob Andrew (Jr., SS), George Scott (Jr., P), Grayson Mersch (So., 1B), Toby Bensinger (Sr., P), Bruce Andrew (So., 2B), Tim Green (Sr., OF), Jim Dobson (So., IF), Ben Bancroft (Jr., OF), Joel Horlen (Sr., P), Tim Smalley (Jr., C)

But the focal point of this team would be the pitching staff that returned three starters and didn't have much need for relievers. Peterson, a senior from Tulsa Rogers, finished 9-2 with a 1.42 ERA to lead the staff, while Horlen, a senior from San Antonio, went 9-1 with a 2.23 ERA. The youngest member of the veterans was Dick Soergel, who was only a junior and finished 8-1 with a 2.10 ERA. Horlen went on to a successful career in the major leagues with the Chicago White Sox and Oakland Athletics, while Soergel will be remembered as one of the last all-sport athletes. He was a starter at quarterback in football, a starter at forward in basketball and a starting pitcher in baseball for three straight seasons. This was when student-athletes were not eligible until their sophomore season, and Soergel won nine varsity letters.

The 1959 staff finished with 229 1/3 innings, including 20 complete games, and walked only 70 while striking out 206. Toby Bensinger, a senior lefthander from Midwest City, was the most used reliever and had only eight innings during the regular season. He had an additional six and one-third innings in the College World Series, including starting the championship game.

The 1959 District V Championship was a two-out-of-three affair with the winner going directly to the College World Series. It was the Big Eight champion Cowboys against the Missouri Valley champion Bradley Braves on the Bradley campus in Peoria, Ill. OSU won the doubleheader on Friday by scores of 7-6 and 6-2 to sweep the series and head to Omaha. Soergel and Horlen were winning pitchers, and Dobson hit a tape-measure home run in each victory.

OSU opened the 1959 tournament with a 10-2 victory over Western Michigan as Horlen pitched a five-hitter. McIlvoy, Bancroft, Mersch and Bond each picked up a pair of hits, and Mersch and Bond each had three RBI.

Dick Soergel

O-State had to rally for three runs in the seventh in its next game against Penn State and, after an insurance run in the eighth, won 8-6. Peterson worked the first seven before Bensinger came on in relief to pick up the save with two perfect innings. Bond and Peterson each had three hits as the Cowboys pounded out 11 hits as a team.

In their next game, the Cowboys found themselves on the wrong end of a 5-3 score as Arizona picked up three runs in the fifth en route to the victory. Soergel was the

OMAHA—Power-hitting Oklahoma State turned the home run ball against Arizona's Wildcats to win the NCAA College World Series of 1959.

Coach Toby Greene's Cowboys got home runs from Jim Dobson and Ben Bancroft and a key triple to defeat Arizona, 5-3, in the climax to one of the most exciting Series in 13 years.

It was a great victory for the Oklahomans who had missed in four other trips to the Series. The Cowboys, champions of the Big Eight Conference, had lost earlier in the tournament to Arizona by the same 5-3 score.

The best crowds in a half-dozen years watched this year's College World Series and tournament officials John Kobs of Michigan State and A. J. Lewandowski of Nebraska said the Series was "the most evenly matched in many years."

Connecticut and Colorado State College were the first teams knocked out of the tourney. Penn State and Western Michigan

loser, and it was his first career loss in 12 decisions.

Finding themselves in the loser's bracket, the Cowboys eliminated Penn State, 4-3, as Horlen went the distance for his second win of the tournament. O-State found itself down 3-2 but rallied for two runs in the ninth to salvage the win.

A Fresno State victory over Arizona that night left three teams with one loss each. Arizona won the coin toss and became the odd man out as Oklahoma State and Fresno State met for the chance to play the Wildcats for the national championship.

It was back to Peterson against the Bulldogs, and the big right-hander responded with a four-hit shutout, 4-0. Dobson and Mersch were the offensive heroes with three and two hits, respectively. Dobson had a home run and a double while Mersch had an RBI double.

The Cowboys had advanced to the championship game, but Greene was faced with a pitching problem. Because of the extra game, Peterson had pitched the day before and could only be used for two or three outs if needed. Horlen had only one day's rest since going the distance against Penn State, but was also ready for relief. And Soergel had just two days' rest since working seven and one-third innings against Arizona.

Greene elected to go with Bensinger even though the lefthander had never started a game for the Cowboys and had only worked 10 2/3 innings the entire season. Bensinger was supposed to go as far as he could and would then be followed by Soergel with Horlen and Peterson if necessary. Bensinger worked three and two-thirds innings before Soergel came on to finish the final five and one-third innings, including three shutout innings to close out the game, after OSU had taken the lead in the seventh.

In the championship game, Dobson, who was voted the Most Valuable Player, opened the O-State scoring with a towering home run over the leftfield fence in the fourth inning. Arizona picked up single runs in the fourth and fifth and led 2-1. Bancroft tied the score with a solo home run in the top of the sixth, but the Wildcats added a run of their own in the bottom of the sixth to lead 3-2. It was another sophomore, Bruce Andrew, who sparked the game-winning three-run rally in the top of the seventh, and OSU led 5-3. Soergel shut out the Wildcats in the final three innings and OSU had its first NCAA Baseball Championship.

Four Cowboy players were named to the College World Series All-Tournament team, including third baseman and MVP Dobson. Also selected were Bruce Andrew at second base, Connie McIlvoy in the outfield and Horlen at pitcher.

The coach of this championship club was a different combination of man. Greene came to OSU as a football assistant in 1939 and also served as freshman baseball coach. He took over the varsity from Henry P. Iba in 1942 and made his first entry into national tournament play in 1947. Greene was soft-spoken on most occasions as well as being articulate with a master's degree in English. He was an accomplished pianist, but when riled his language could make a sailor blush. Greene served as the head baseball coach for 21 years and had an astounding record of 318-132 for a .707 winning percentage. His teams appeared in seven College World Series and dominated the Missouri Valley Conference before making the move to the Big Eight in 1958.

I still can remember looking down from the radio booth atop the Rosenblatt Stadium roof and seeing the Cowboy team and coach Greene gathered around home plate for the championship ceremonies.

Coach Greene, a man of few words, stepped to the microphone with the trophy in hand and said, "Tonight, these young men around me, have made an old man very happy. Thank you."

COWBOY ALL-AMERICANS

Beginning with Joe Buck in 1951, Oklahoma State has had 150 All-America honors, and 27 different players have earned first-team All-America honors from either the American Baseball Coaches' Association, the National Collegiate Baseball Writers' Association, *Baseball America*, *Collegiate Baseball*, *D1Baseball.com* or Perfect Game/Rawrlings. Pete Incaviglia, Robin Ventura and Jeff Guiel hold the distinction of being the only Cowboys to be named first-team All-America multiple times in their careers, with Incaviglia earning the honor from the American Baseball Coaches' Association and *Baseball America* in 1984 and 1985 and *The Sporting News* in 1985, Ventura being named by the American Baseball Coaches' Association (1987-88), Baseball America (1986-88) and *The Sporting News* (1987-88) and Guiel garnering first-team status by both *Collegiate Baseball* and the ABCA in 1996 and 1997. The Cowboys have had two players earn American Baseball Coaches' Association first-team All-America honors in the same season on two occasions, with Tom Borland and Ron Bennett in 1955 and Robin Ventura and Jim Ifland in 1987. Several other prominent players in Oklahoma State/Oklahoma A&M baseball history would have been selected All-American if such honors had been awarded. Frank Kellert was selected to play in the All-American amateur game at Fenway Park in 1947, which was the equivalent of being chosen first-team All-American. Other Cowboy players who were All-America caliber were Allie Reynolds (1936-38), Albert Wright (1927-1928), Reinhold Feldkamp (1937-1939), Elbert Williams (1937-1939), Danny Doyle (1937-1939) and Wilbur Ray (1919).

OSU IN THE NATIONAL POLLS

With its proud and storied baseball tradition, OSU has maintained a strong presence in the national rankings. The Cowboys have ended the season ranked as high as No. 2 on several occassions and also have over a dozen Top 10 finishes, including twice being ranked in the top 10 in the final polls under Josh Holliday (10th in 2014, 4th in 2016). During a stretch from 2013-17, OSU was ranked in the national rankings for 77 consecutive weeks; the Pokes also had a streak of 55 weeks in the rankings from the 2021 preseason to Feb. 2024.

COWBOYS IN MAJOR LEAGUE BASEBALL

Over 60 Cowboys have gone on to play Major League Baseball, including six who spent time in the big leagues in 2023.

OSU has had 20 first-round draft picks, and in 2016, the Cowboys tied a program record when 11 players were selected in the MLB Draft.

A pair of Cowboys have served as Major League Baseball managers, with John Farrell leading the Toronto Blue Jays in 2011 and 2012 and the Boston Red Sox from 2013-17 and Robin Ventura serving as the Chicago White Sox skipper from 2011-2016.

Former Oklahoma State third baseman Christian Encarnacion-Strand (above) made his MLB debut with Cincinnati in 2023, and pitcher Andrew Heaney (below, left) helped lead the Texas Rangers to the 2023 World Series championship. Robin Ventura (below, right) starred for four different teams as a player and served five seasons as manager of the Chicago White Sox.

COLLEGE BASEBALL HALL OF FAME/OSU RETIRED NUMBERS

Four Oklahoma State baseball alumni have been elected into the National College Baseball Hall of Fame, and the Cowboys had an inductee in each of the first three years of the hall of fame's existence.

Robin Ventura was a member of the hall's inaugural class in 2006, and his former Cowboy teammate, Pete Incaviglia, was inducted in 2007. In 2008, Gary Ward, who coached both Ventura and Incaviglia, was enshrined into the hall. OSU's latest inductee, Tom Borland, joined the hall in 2013.

Each of the Cowboys' College Baseball Hall of Fame members has had their jersey number retired by OSU – Borland (#11), Ward (#20), Ventura (#21) and Incaviglia (#29).

Oklahoma State has a storied baseball tradition spanning over a century, and the Cowboys can count numerous alumni who were among the best to play, coach and even broadcast the game at the collegiate level.

In 1992, the inaugural class of the Cowboy Baseball Hall of Fame was inducted. That first class included Joe Buck, Pete Incaviglia, Allie P. Reynolds, Mickey Tettleton and Jim Traber.

In all, the Cowboy Baseball Hall of Fame is 62 men strong, and those honored are remembered as some of OSU and college baseball's best.

Among those in the Cowboy HOF are four members of OSU's 1959 NCAA national champion team — Bruce Andrew, Jim Dobson, Joel Horlen and Dick Soergel — as well as the man behind the microphone calling the action for the Pokes in that season and in 37 others, Bill Platt.

Also in the group are Pete Incaviglia, who was named college baseball's Player of the Century by *Baseball America* in 1999, and Robin Ventura, who owns the NCAA record with a 58-game hitting streak and who hit .428 in his OSU career.

After a decade of inactivity — no class was inducted in 1995 or from 2004-13 — the Cowboy Baseball HOF was revived in 2014 under head coach Josh Holliday.

The latest inductee in the Class of 2024 is Scott Baker.

TEAM USA

Oklahoma State has had 15 players earn the honor of making a USA Baseball roster. Gary Green was a member of the 1984 U.S. Olympic team, while Robin Ventura was a gold medalist with the 1988 Olympic club.

In the summer of 2008, OSU Cowboys Tyler Lyons and Andrew Oliver helped lead Team USA to the gold medal at the FISU World Championships. The squad completed its tour with a 24-0 mark, and OSU's pitching duo was part of a staff that combined for a Natinoal Team record 0.88 team ERA. Rob Walton, former Cowboy pitcher and current OSU pitching coach, was the head coach of that Team USA club.

CAMPUS OF CHAMPIONS

Oklahoma State University

A land-grant institution with more than 35,000 students across a five-campus system, we've graduated more than 264,000 students to serve the state of Oklahoma, the nation and the world.

A bold aspiration

Oklahoma State University intends to become the nation's preeminent Land-Grant university

From their founding in the nineteenth century, Land-Grant universities have carried a distinctly American charge captured in the words of the Morrill Act of 1862:

"to promote the liberal and practical education of the industrial classes in the several pursuits and professions in life."

Through teaching, research and Extension, the Land-Grant institutions steward a timeless responsibility: to raise successive generations of servant-leaders; to engage as vital members of their communities; to bring research and new knowledge to bear to prepare students for the world they will enter; and to extend critical knowledge and expertise to meet society's most pressing problems — the "Grand Challenges" facing civilization.

Three Pillars

Instruction
OSU provides the highest quality education in a variety of different majors using the latest teaching methods.

Research
OSU is creating the next generation of scientists, thinkers and scholars through its tradition of research excellence.

Extension
OSU's Cooperative Extension connects people across the nation and world with the latest research and practical solutions.

Core Values

Community
Foster a strong sense of community based on shared governance among student, faculty, staff and administration.

Service
Serving others is a noble and worthy endeavor and distinguishing feature of a land-grant institution.

Steward of Resources
Dedicated to the efficient and effective use of resources and sustainability.

Excellence
Seek excellence in all endeavors and commitment to continuous improvement.

Integrity
Commitment to the principles of truth and honesty.

Intellectual Freedom
Believe in ethical and scholarly questioning that respects the rights of all to freely pursue knowledge.

Chad Weiberg assumed the role of Oklahoma State Vice President and Athletic Director in July of 2021 after having spent the previous four years as OSU's Deputy Athletic Director. In this role, Weiberg serves on President Kayse Shrum's leadership team that helps advance Oklahoma State's land grant mission and President Shrum's strategic initiatives for the institution.

The timing of his promotion to athletic director lined up with seismic shifts in national landscape of college sports. Realignment within the Big 12 Conference and the emergence of Name, Image and Likeness both occurred within a month of Weiberg's start date.

With that as the backdrop, in the modernized world of college athletics, Weiberg's OSU has been a force in competition. A sampling of Oklahoma State's accomplishments during his three years as athletic director:

- Oklahoma State won team national championships in equestrian (2022) and men's cross country (2023) and the women's tennis team won the 2024 ITA indoor national title.
- OSU won 15 Big 12 team conference championships across its 18 varsity sports.
- Oklahoma State finished in the top 25 of the Learfield Directors' Cup standings each year.
- Oklahoma State won the all-sports Phillips 66 Bedlam Series over in-state rival Oklahoma twice and tied the Bedlam Series once.
- The Cowboy Football team beat No. 5 Notre Dame in the 2021 Fiesta Bowl, had a winning record over Oklahoma and twice appeared in the Big 12 Championship Game.
- Oklahoma State produced 140 All-Americans, the highest three-year total in school history.

OSU's broad-based success reflects how the department has evolved in ways that produce a meaningful advantage. Some of key initiatives developed within OSU Athletics under Weiberg:

- The creation of a name, image and likeness department with a dedicated full-time director and assistant director.
- A partnership between OSU Athletics and the Spears School of Business to create the innovative Brand Squad, which pairs the best and brightest students in OSU's famed Spears

Athletic Director Chad Weiberg

As athletic director, Chad Weiberg hired head coaches Jacie Hoyt (women's basketball), Steve Lutz (men's basketball) and David Taylor (wrestling).

School of Business with student-athletes for the purpose of creating a personal brand and managing NIL opportunities, as well as coordinating with supporters establishing new collectives to provide NIL opportunities for OSU student-athletes.

- The creation of the POSSE STAR Fund to provide student-athletes financial rewards for achieving academic success in accordance with the Supreme Court ruling on Alston vs. NCAA.
- The creation of a student-athlete leadership and professional development program with a dedicated full-time director and assistant director to help best position student-athletes for success beyond sports.
- Numerous structural and cosmetic upgrades to Boone Pickens Stadium geared toward improving the fan experience.
- Launching of the OSU Athletics Vision Plan, which is highlighted by a new Human Performance and Innovation Complex and football center, upgrades to Boone Pickens Stadium and entirely new competition facilities for softball and indoor track and field, practice facilities for wrestling and men's and women's basketball and upgrades to Karsten Creek Golf Course, the Pedigo-Hull Equestrian Center and to Gallagher-Iba Arena.
- A partnership with Sport and Story to create OSU's own streaming service, OSU Max.

Weiberg has made three head coach hires, successfully recruiting Jacie Hoyt (women's basketball), Steve Lutz (men's basketball) and David Taylor (wrestling) to Stillwater.

Oklahoma State hosted NCAA Championship events in men's and women's cross country (2022), wrestling (2023) and men's and women's tennis (2024) under Weiberg, providing the Cowboys and Cowgirls with added visibility on the national level.

Also on the national level, Weiberg was on the College Football Playoff Future Format Athletic Directors Focus Group and beginning in September of 2024, joins the NCAA Division I men's basketball committee for a five-year term.

In 2023-24, he served as chair of the Big 12 Athletic Directors.

Prior to his elevation to athletic director, Weiberg served as OSU's Deputy Athletic Director from 2017-21. In that role, Weiberg was the chief operating officer, second-in-command and responsible for the day-to-day operations of the athletics department. He served as Athletic Director Mike Holder's administrative liaison for football and men's basketball and was responsible for football scheduling.

During his time as Deputy AD, he played a significant role in successfully navigating OSU Athletics through the COVID pandemic. Notably, he developed a partnership with the Oklahoma State University Center for Health Sciences that helped produce the planning and resources to keep Cowboy and Cowgirl student-athletes healthy, safe and ready for competition.

Weiberg was a key figure in several important initiatives that benefited student-athletes and fans alike. A little more than one year after Weiberg's arrival, OSU added a director of counseling and sport psychology position within the athletic department to better serve the mental health of student-athletes.

He also played a key part in improving OSU's gameday experience. Highlights include the addition of one of the largest video boards at a college-only football stadium, the addition of alcohol sales at OSU athletic venues and expanded concession offerings.

Weiberg is a 1994 OSU graduate with a degree in business administration. He earned a master's in business administration from OSU in 2002. After earning his undergraduate degree, he served as the director of corporate sales and donor relations for OSU Athletics until 1999. He served as senior director of field operations for the OSU Alumni Association from 1999-2002 before becoming the director of development for the OSU Foundation/College of Business Administration from 2002-03. He held a similar role for OSU Athletics from 2003-04 before moving to Kansas State.

At K-State, Weiberg served the KSU Foundation as Director of Corporate Relations for a year before becoming the Director of Major Gifts for K-State Athletics in 2005. Weiberg assumed the lead role for K-State Athletics' Ahearn Fund in 2009 and, for his team's efforts, was recognized as the National Fundraiser of the Year by the National Association of Athletic Development Directors in 2014. Weiberg was the Senior Associate Athletic Director for Development when he left K-State in 2015 to become Deputy Director of Athletics at Texas Tech University, a role in which he served for two years before returning to his alma mater in 2017.

College athletics have played a key role in Weiberg's life from an early age. His father, Mick, and brother, Brett were both college basketball head coaches and his brother, Jared, played basketball at OSU under Eddie Sutton for a year before moving into the role of team manager. Weiberg's uncle, Kevin, served as commissioner of the Big 12.

Weiberg and his wife, Jodi, have two children, Ella and Grant.

Olympic Medalists

Oklahoma State and the Olympic Games

Oklahoma State has produced 121 Olympians all-time and entering the 2024 Paris Games, 34 earned a medal - 21 gold, five silver and eight bronze.

OSU has been represented at every Olympic Summer Games in which the United States has competed in since 1924.

Oklahoma State has produced at least one medalist in 19 of the last 20 Olympic Summer Games in which the United States has competed since 1932. The lone exception was in 1972, when the Henry Iba-coached Team USA men's basketball team chose to not accept silver medals following a controversial result against the Soviet Union in the gold medal game.

Included among Oklahoma State's Olympic gold medalists are a quartet of two-time winners - wrestlers Yojiro Uetake and John Smith, men's basketball star Bob Kurland and softball pitching ace Michele Smith.

Learfield Directors' Cup

The Learfield Directors' Cup honors institutions and evaluates success in all sports, men's and women's. The Directors' Cup allows athletic departments to measure the success of each sports program evenly and does not weigh the success in one sport above the success in another.

Because Oklahoma State does not sponsor women's volleyball and does not get credit for its performance in equestrian, it has only 17 sports eligible for Learfield Directors' Cup scoring, while most others count points from 19 sports. Operating with a two-sport handicap, Oklahoma State has still finished in the top 25 nationally the last four years and has finished in the top three of the Big 12 each of the last six years.

Phillips 66 Bedlam Series

The Bedlam Series is calculated by straight wins and losses in head to head competition. In sports where there is no head to head matchup, the Big 12 Championship final standings are used.

While Oklahoma State and Oklahoma have been in competition for more than 100 years, the all-sports Bedlam Series did not come into existence until the 1999-2000 academic year.

The All-Time Greats

The highest honor the Oklahoma State Athletic Department can bestow upon its former student-athletes, coaches and staff is induction into the OSU Athletics Hall of Honor. Inductees are immortalized with a permanent display on the concourse level of Gallagher-Iba Arena, outside the O-Club room on the arena's west side.

Name, Image and Likeness and POSSE STAR Fund

Oklahoma State is at the very forefront of the Name, Image and Likeness era of college sports and has the accolades to prove it.

OSU was the only Big 12 school recognized as a national finalist for Best Institutional Program at the inaugural NIL Awards at the INFLCR NIL Summit in 2022.

Oklahoma State sprinter Tori Ortiz secured an NIL partnership with the WWE, among many others.

OSU's reputation as an NIL leader was earned not through hype, but through planning and then executing a strategy that placed maximizing NIL opportunities for student-athletes as the top priority.

A sampling of what NIL looks like at Oklahoma State:

▶ OSU Athletics partnered with the renowned Spears School of Business to form the best-in-class Brand Squad – a group of business students who help connect OSU students with NIL partners at no cost to the students.

▶ OSU Athletics appointed Barry Hinson as Associate Athletic Director for Name, Image and Likeness – a new position geared specifically toward identifying and promoting NIL opportunities for its student-athletes.

▶ OSU partnered with industry leader Altius Sports to provide a national perspective and guidance to OSU's NIL programming.

▶ OSU partnered with the Brandr Group, One Team and Fanatics to create group licensing opportunities for its student-athletes, such as selling jerseys and other merchandise co-branded with official OSU marks and the student-athletes' name, image and likeness.

▶ OSU was an early adopter in helping student-athletes with their individual brand-building efforts through the use of professional-quality photos and videos.

▶ OSU provides ongoing rules education to the nonprofit collective Pokes with a Purpose, which pairs OSU student-athletes with local charities in a way that enables the student-athletes to use their name, image and likeness to raise awareness and funds for causes of their choosing.

▶ OSU Athletics has a standing NIL committee that meets weekly to identify, discuss and pursue NIL opportunities and partnerships that benefit its student-athletes.

Director of NIL

Mackenzie Janish
Assistant Director

▶ While it is not directly tied to NIL, OSU launched the POSSE Star Fund to provide student-athletes with additional education-related benefits including direct financial support in the form of academic achievement awards, up to the legally established maximum of $5,980 per year. In order to receive the full allotment, student-athletes must go through financial planning and education provided through a partnership between OSU Athletics and Simmons Bank.

The OSU NIL marketplace makes it easier than ever for fans and potential name, image and likeness partners to browse and connect with OSU student-athletes by visiting okstate.com/marketplace

Student-Athlete Leadership and Professional Development

Every athletic department has a goal of winning championships, which is something we know a thing or two about here at Oklahoma State. A quick glance to the rafters in Gallagher-Iba Arena illustrates that.

But in addition to banners, developing the next generation of leaders away from the field is a priority for OSU Athletic Director Chad Weiberg, and he made that clear with a key hire just weeks after taking the reins as athletic director in 2021.

Jawauna Harding re-joined the OSU Athletics family to head up our Student-Athlete Leadership and Professional Development office, which is charged with building initiatives and programming focused on the OSU ideal graduate competencies of professional preparedness, ethical leadership, engaged citizenship, and personal responsibility. Additionally, she oversees impact initiatives for OSU Athletics.

Her goal is to enhance the student-athlete experience and prepare them for life after OSU. Through one-on-one meetings, guest speakers, experiential learning and special events, each student-athlete gains access to professional development tools and job search support.

"OSU student-athletes possess valuable skills sought after by employers," Harding explains. "They excel in teamwork, adaptability, and time management. They've been immersed in organizational leadership systems their entire careers. Companies should see the value in providing internships and jobs that help our athletes transition these skills into professional careers."

To achieve this, Harding added two additional positions. Assistant Athletic Director Tia Harring, who previously oversaw marketing and fan engagement, now focuses on student-athlete leadership development and established GoPokes Connect, a mentorship program pairing student-athletes with alumni-athletes.

Career Coach Lerin Lynch, formerly of the Alumni Association, helps student-athletes build their professional toolbox. This includes résumé development, career coaching, and essential professional skills.

"Investing in the holistic well-being of our student-athletes is paramount," Harding said. "Hiring Tia and Lerin strengthened our ability to better support student-athletes in their professional and leadership development."

While the department empowers student-athletes through the Student-Athlete Advisory Committee (SAAC) and community engagement projects, Harding seeks to expand employment options for them.

"Student-athletes have unique skills and unique schedules," Harding said. "Our next step is to find new, innovative ways to provide experiential learning for all our student-athletes."

Mental Health and Wellness

Oklahoma State student-athletes have access to Dr. Trevor Richardson, who leads a four-person team of trained mental health professionals dedicated to serving the needs of OSU student-athletes. Most schools have just one - if any - mental health professionals on full-time staff.

The team's approach to mental health is built through relationships and providing ongoing support.

"Around here, we like the old proverb of if you give a person a fish, you'll feed them once. If you teach them to fish, you'll feed them for a lifetime." Richardson said. "That's kind of how we approach mental health – we want to equip our people with knowledge and strategies they can use long into the future."

For Richardson, a two-time Oklahoma State graduate who joined the athletic department after more than 10 years on campus as part of OSU Counseling Services, being a mental health resource for OSU student-athletes is not just his profession, it's personal.

There is a misconception that seeking help in the area of mental health is a sign of weakness. Richardson said that is not the case.

"It's a sign of strength to ask for help in mental health because it shows you are secure in yourself," Richardson said. "This is about courage. People who take part in this process show courage and sometimes they view it as a sign of weakness because of what they've been conditioned to think. When you run from something that needs to be addressed, sooner or later it catches up with you. To sit down and take that big, scary, unpleasant thing on and talk with someone about it, that takes real courage."

Honoring Academic Success

Maddison Hinson-Tolchard (golf) and Alex Maier (cross country/track and field) were honored as OSU's 2024 Scholar-Athletes of the Year.

The Oklahoma State Scholar-Athlete of the Year Award acknowledges the remarkable character and performance of one male and one female student-athlete. As the highest honor presented among OSU student-athletes, this award reflects exemplary performance in academic endeavors, athletic activities, and a commitment to community engagement. The award recognizes exceptional character of the student-athlete and a remarkable dedication to academic performance.

The award was initially presented in 1994 as the OSU Student-Athlete of the Year, but the title changed to OSU Scholar-Athlete of the Year in 2015.

We Will *Always* Remember

On January 27, 2001, 10 members of the Oklahoma State Cowboy Basketball family passed away after a plane crash on the way home from a game at Colorado. To this day, the legacy of those Cowboys is honored. Each year, 10 OSU students are selected as Remember the 10 scholarship recipients and the charitable Remember the 10 Run generates significant donations to University Counseling Services.

A Night to Shine

Oklahoma State student-athletes walk the orange carpet at the Cowboy Choice Awards, which has become a highly-anticipated event on the annual calendar, in part because of the awards themselves and in part because it is an opportunity for student-athletes from all sports to come together off the field for a fun and enjoyable evening.

In the Heart of it All

Oklahoma State University serves nearly 25,000 students at its Stillwater campus, with 26% of the student body coming from out of state. Students from all 50 states and over 100 countries call Stillwater home.

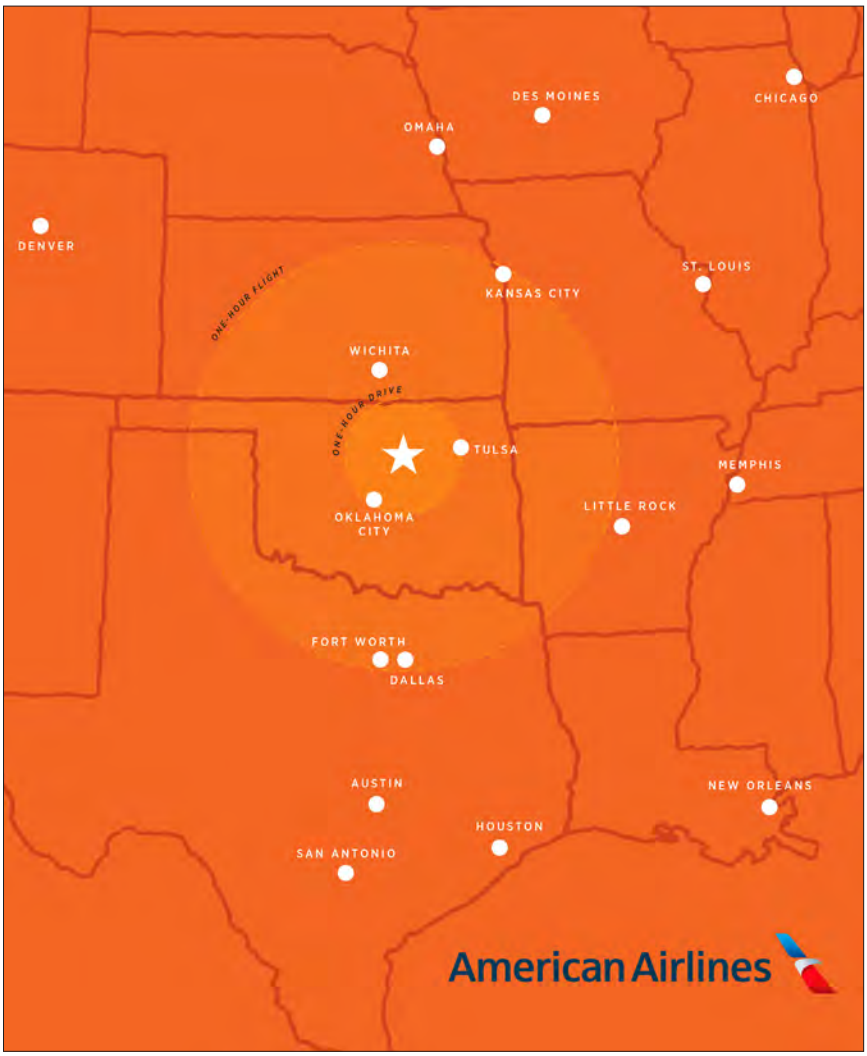
Stillwater is centrally located between Oklahoma City and Tulsa, just an hour's drive away from the two largest metro areas in the state of Oklahoma.

Stillwater Regional Airport provides daily nonstop American Airlines flights to and from Dallas/Fort Worth International Airport. A single one-hour connecting flight to DFW is all that separates OSU from traveling to New York, Los Angeles, London, Tokyo, Sydney and more of the world's greatest destinations.

Additional direct service to and from Stillwater may also be coming.

Stillwater Regional's 7,400-foot main runway can easily accommodate aircraft such as the Boeing 737 and Airbus A320, simplifying team travel for OSU and any opponents making the trip to Cowboy Country.

Further improvements to Stillwater Regional's facilities include a proposed expansion to the airport's terminal that would triple its current size.



Noting Stillwater

The population of Stillwater is about 50,000 and with Oklahoma State University as its heart, it comes as no surprise that approximately 50 percent of Stillwater residents age 25 years or older have a bachelor's degree.

Incredible Fan Support

Oklahoma State has a passionate fanbase that appreciates success across all sports and as a result, OSU enjoys an overwhelming advantage when playing at home.

America's Greatest Homecoming

OSU's very first Homecoming was held as part of the Harvest Carnival in the fall of 1913, but it wasn't until seven years later that the OSU Alumni Association hosted its first official Homecoming celebration. On October 30, 1920, 90 Oklahoma A&M alumni returned to Stillwater for festivities including the Aggie football game plus a dance and a dinner hosted by Alumni Association President Monroe Otey.

Of the 90 alumni in attendance, 50 were from the Stillwater area and 40 were from out of state. It was also in the '20s the now-famous tradition of house decorations began when sororities started to decorate their doorways.

In 1930, the first ever Homecoming Parade, a mile long, made its way down Main Street. More than 17,000 alumni returned to Oklahoma A&M that year to renew old friendships and show their pride in the Orange and Black.

In 1942 and 1944, Homecoming was combined with Dads' and Mothers' days and sponsored by the YMCA, YWCA, Dads' and Mothers' Day Association and the Alumni Association. The combination was a result of World War II and impending gas rationing to occur. Even with the gas rationing and cutbacks on parade floats, decorations and visiting bands, the football game and reunion functions were still well attended.

Following the war in 1946, there was a record attendance of 20,000 alumni and the largest parade was held including more than 50 floats, six bands and other community entries. Over time, the size of the house decorations overtook those of parade floats. In 1966, vehicles were abandoned and onlookers tried a new experiment - they simply "walked around" to view the decorations. Three years later, house decorations began being judged and scored.

New events like the Sign Competition, Football Frenzy and Chili Cook-Off were added in recent decades. Since that time, the event has grown and today is recognized as "America's Greatest Homecoming Celebration," drawing more than 80,000 alumni back to campus each year.

CASE International (Council for Advancement and Support of Education) has recognized OSU's Homecoming as a Seal of Excellence recipient. This is the highest award given by CASE in the field of Alumni Relations. This prestigious award is given only to programs that serve as models for others. OSU was recognized for the widespread participation and outstanding organization of its Homecoming program.

Most recently, the Homecoming celebration has launched onto the world wide web with photo albums, video highlights and live streams of Walkaround and the Sea of Orange Parade.

In 2010, the OSU Alumni Association began fundraising for the $3 million Homecoming and Student Programs Endowment as part of the $1 billion Branding Success campaign. OSU is one of the only schools left in the nation with an event like Walkaround, and once fully funded, the endowment will ensure future generations of Cowboys will be able to experience "America's Greatest Homecoming Celebration" as we know it today.

OSU's Homecoming is presented by the OSU Alumni Association and is planned by the student-driven Homecoming Executive, Steering and Big committees. OSU's Homecoming is a longstanding, exciting and colorful tradition for both campus and community.

Oklahoma State Spirit

The Cowboys

Dating back to the 1890s, Oklahoma A&M sports teams had been referred to as Agriculturists or Aggies, the Farmers, and officially but unpopularly, the Tigers. But by 1924, Charles Saulsberry, sports editor of the *Oklahoma City Times*, and other writers who regularly covered college events, had begun to refer to Stillwater's teams as the A&M Cowboys. Reporters' constant search of colorful synonyms started sprinkling Cowpokes, Pokes, Waddies, Cowpunchers and Punchers in conversation. "Cowboys" had a Southwestern flavor and flair that fit like a favorite pair of boots.

The Athletic Council authorized athletics director Edward C. Gallagher to have 2,000 balloons printed, "Oklahoma Aggies—Ride 'Em Cowboy" for sale at football games in 1926.

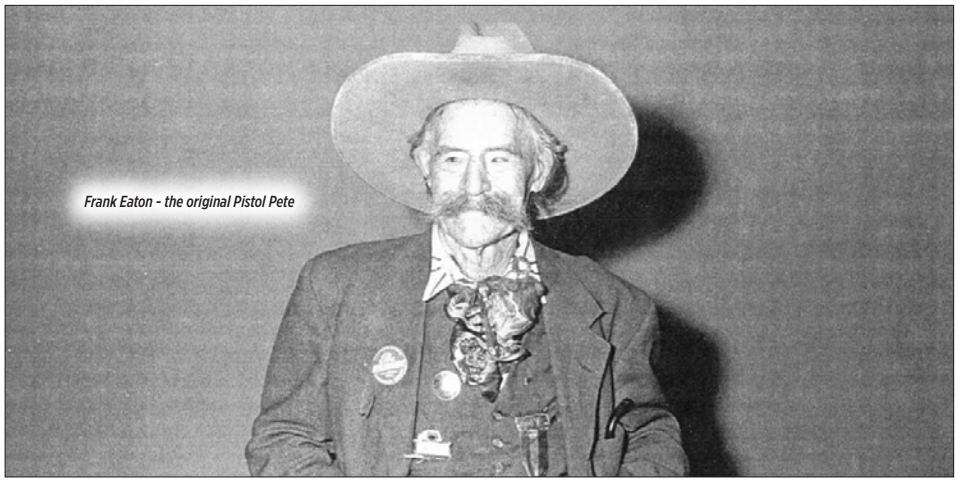
Pistol Pete

(excerpt from text written by Lance Millis)

Around 1923, when Oklahoma A&M College was searching for a new mascot to replace its tiger (copied along with the school's orange and black colors, from university founders who hailed from Princeton), a group of students saw Frank Eaton leading the Armistice Day Parade. He was approached to see if he would be interested in being the model for the new mascot, and he agreed. A likeness was drawn and began to be used on sweatshirts, stickers, etc., and a tradition was born.

That caricature was the basis for what is used today as the official Oklahoma State University mascot. For 35 years, the crusty old cowboy was a living symbol of OSU, representing the colorful past of the area. As such, he would attend OSU athletic events, building dedications, etc., and sign autographs, pose for photographs and reminisce about the Old West with anyone who would listen.

To this day, his likeness is a visible reminder of the Old West to literally millions of people yearly as a symbol of colleges whose mascots pay homage to the cowboy. Each year, OSU students tryout for Pistol Pete. A panel of former "Petes" judge the tryouts and select the two best candidates based on an interview, a mime, and posing as mascot in different "game situations." The two who are selected split the approximately 500 appearances annually. These appearances include all athletic events, pep rallies, business openings, weddings, birthday parties, and public school events.



Frank Eaton - the original Pistol Pete

Frank Eaton - Before Pistol Pete

"My boy, may an old man's curse rest upon you, if you do not try to avenge your father...You must never stop until they are all accounted for!" These words, according to one of Eaton's many stories, were spoken by a family friend following the brutal murder of his father, and guided the formative years of Frank's life.

Born in 1860, in Hartford, Connecticut, Frank moved with his family to Kansas shortly after the close of the Civil War. When Frank was eight years old, his father, a former Union soldier, was shot and killed by a group of lawless former Confederates. Frank was a witness to the murder and each of the murderers' faces was imprinted in his memory.

After being challenged to avenge his father's death by Mose Beaman, (the family friend), Frank set out to learn how to handle guns. Mose gave him a gun and holster, and taught him how to handle and shoot guns. Frank quickly learned to "shoot a snake's head off with either hand". During the next few years, Frank's days were spent helping his mother with chores and practicing shooting. With each passing year, he became faster and more accurate with his guns.

When Frank was 15, he learned of the location of one of his father's killers. After deciding it was almost time to set out on his mission, Frank wanted to make sure his shooting skills were good enough. He decided to visit Fort Gibson, a cavalry fort, to try to learn more about handling a gun. There he competed with the cavalry's best marksmen, beating them each time. After many competitions, the fort's commanding officer, Colonel Copinger gave Frank a marksmanship badge and a new name. From that day forward, Frank would be known as Pistol Pete.

Bullet

The Oklahoma State University Cowboys have many symbols of their western heritage, but none is more appropriate than their mascot, Bullet. The Spirit Rider program debuted in 1984 with the first few Spirit Riders providing their own horse to serve as mascot for the OSU Cowboys.

However, in 1988, Stars Parr Money was donated to the OSU Athletic Department to be used specifically as the mascot. Since that time, Bullet has delighted crowds with his traditional sprint across the football field following every Cowboy touchdown. The heart of the Cowboy Spirit Rider Program, Bullet is not only seen at Boone Pickens Stadium and other OSU football games, he's made appearances at local elementary schools, parades, rodeos and other special events, including the opening ceremonies of the Oklahoma State Special Olympics.

The tradition of the Spirit Rider can be attributed to the late Eddy Finley, who wanted to promote school spirit the "cowboy way," on horseback. Since that time, additional support has come for the Spirit Rider and Bullet, much of it due to Finley's hard work. A horse trailer, custom-tooled saddle and uniform dress for the Spirit Rider and ground crew have been donated to OSU. In honor of the Spirit Rider and its tradition, Jim Hamilton sculpted the Spirit Rider bronze statue that sits just south of the Greenwood Tennis Center.

Bullet is a regular part of the Cowboy football game day experience.

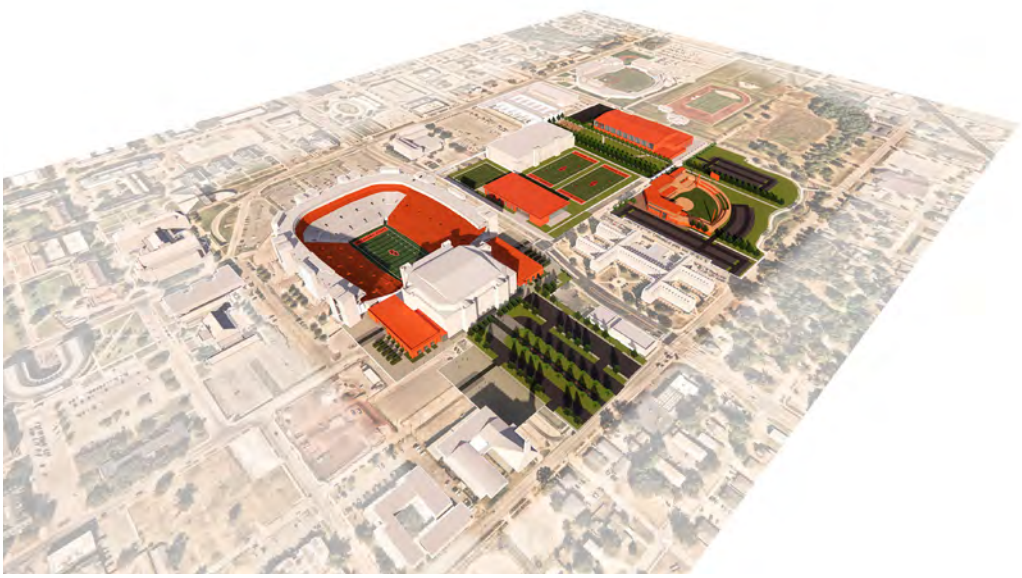
OSU Athletics Vision Plan

Looking into the Future

Oklahoma State is strengthening its position within the national landscape of college athletics with the unveiling of the athletics facilities vision plan announced by Athletic Director Chad Weiberg.

The plan focuses on providing for the success of the student-athletes, improving the fan experience, and bolstering the University's ability to attract student-athletes across all programs through the creation of a unified and connected athletic village unrivaled in college sports.

Included in the plan are a new football operations center, a new wrestling training facility, a new softball stadium, an indoor track, a new training center for basketball, upgrades to the Pedigo-Hull Equestrian Center and to Karsten Creek Golf Course and repurposed areas in the west end zone of Boone Pickens Stadium and Gallagher-Iba Arena for student-athlete services that include a new academics center and spaces for mental health, leadership and career development.



The athletics vision plan comes at an estimated cost of approximately $325 million. The implementation and order of construction will be determined as funding becomes available for each individual element.

"This is a time of conference realignment and unprecedented transformation in college athletics," Weiberg said. "With a history that includes 52 NCAA titles, for us to continue to achieve championship results, now is not the time to pause or rest on past accomplishments, but to honor those accomplishments by pushing forward and building upon what has been started. This vision plan provides a road map for the next phase of an athletics village that will be unrivaled in collegiate sports."

The plan is in its conceptual stages.

OSU Athletics Vision Plan

Human Performance Innovation Complex and Football Center

In December of 2022, Oklahoma State University announced its new Human Performance and Nutrition Research Institute with the goal of impacting every community in Oklahoma.

Due to available space and to maximize efficiencies, the institute headquarters will share a roof with the new operations home of Cowboy Football and will be located immediately adjacent to the existing practice fields and the Sherman E. Smith Training Center.

Sharing the same footprint will maximize efficiencies of key elements of the Human Performance And Nutrition Research Institute and Cowboy Football.

Vacated space in the west end zone of Boone Pickens Stadium creates tremendous benefits for student-athletes in every sport and accommodates an athletic department that has grown in recent years to include new areas dedicated to student-athlete success, mental and physical wellness, leadership and professional development.

While the institute itself is funded by the university, the Cowboy Football program will have its own space within the building paid for by athletics funds and private donations.

The 2009 upgrades to Boone Pickens Stadium played a significant role in OSU's rise to college football prominence. It also launched a larger mindset – one that Cowboy Football is truly capable of ascending to the highest level of the sport. This new facility provides an opportunity for OSU to reaffirm its commitment to being a national force moving forward.

Student-Athlete Success Center

The program areas currently occupied by OSU Football in the west end zone of Boone Pickens Stadium will be renovated following completion of Human Performance Innovation and Football Center. This includes both student-athlete and coaches/staff areas in the stadium which are currently located on the arena and lower club Levels.

The existing Student-Athlete Dining and Training Table would be expanded and renovated. Premium areas, including both club areas and seating and additional suites would be added, offering new seating types and amenities. Existing student-athlete support programs such as academic services, student athlete development and mental health could be relocated from Gallagher-Iba Arena to the stadium. Sports medicine, along with strength and conditioning could also be expanded and located in the west end zone, offering a central training and recovery space for all student-athletes.

In addition, offices and work areas for OSU Athletics creative teams, encompassing operations, graphic design, creative content and communications would be relocated to Boone Pickens Stadium.

Boone Pickens Stadium

Between 2003 and 2009, Lewis Field expanded and was officially rededicated as Boone Pickens Stadium on September 5, 2009. The expansion included adding nearly 4,000 club seats and 123 suites and connected the north and south by creating a continuous seating bowl in the west end zone. Over time the original seating on the north and south sides stadium bowl has required annual maintenance, resulting in increased repair costs, necessitating the replacement of the existing seating treads and risers. This need allowed OSU Athletics to plan the modernization and improvement of the fan experience in Boone Pickens Stadium.

Following the 2022 football season, work began on a two-year stadium project, beginning on the north side. That scope of work begins at the 200 level with the addition of a cross aisle to the existing seating treads and risers at the 300 level, expanding tread depths and new entrances. The project includes replacing benches, adding stadium seats in some sections, additional aisles, and adding handrails for safety. New intermediate aisles will be located between the existing entrances, reducing the amount of seating between aisles.

Following the 2023 football season, the south will be replaced in a similar fashion. The project includes new entrances at the lower 200 levels, replacing benches, adding stadium seats, additional aisles and adding handrails.

This renovation will keep the overall vision of Boone Pickens Stadium intact, marrying the north, west and south seating sections, and maintaining the existing 100, 200 and 300 level seating bowl levels.

OSU Athletics Vision Plan

Softball Stadium

The plan includes a new softball facility partially located on the former site of Allie P. Reynolds Stadium. The new home of Cowgirl Softball will provide modern amenities suitable for a premier collegiate softball program and will include championship caliber player-development areas. In addition, typical chairback seating, tailgating corrals, and family friendly areas to enhance the fan experience are planned.

Following the demolition of Allie P. Reynolds Stadium, the project will also create opportunities for additional parking for on-campus residents.

Indoor Track and Field

The men's and women's track and field programs support over 100 student-athletes. These athletes require year-round training and competition space. The vision plan proposes an indoor track and field facility south of the existing outdoor track and field complex. The proposed site is bordered by McElroy Road to the north, the Sherman E. Smith Training Center to the south, the Michael and Anne Greenwood Tennis Center to the west, and North Knoblock Street to the east.

This parcel of land is ideally sized for a full indoor track program. It will include a 200 meter banked track, indoor field event space, spectator seating, athletic training rooms, team meeting/theater spaces, locker rooms, player lounges, and offices for coaching staff.

In addition to strengthening training and development for the track and field programs, this new facility will act as a dynamic new recruiting tool for an already nationally prominent program.

Wrestling Practice Facility

Cowboy Wrestling is the most successful program in the history of the NCAA, regardless of sport. Entering the 2022-23 academic year, Oklahoma State wrestling had won 34 team national championships, 143 individual NCAA championships and had 475 All-Americans. The plan proposes an addition to the existing facility, which would support the ongoing success of OSU Wrestling.

While the program recently received an upgrade to its locker room, additional space is needed to sustain the success of the program.

This addition will increase the size of the wrestling room, allowing for additional mat space and championship-level team amenities. While the team will always compete inside the famous Gallagher-Iba Arena, the training facility will feature a dedicated space for spectators that will enhance recruiting and donor visits. This training facility will also house office and meeting spaces for the coaching staff.

OSU Athletics Vision Plan

Basketball Practice Facility

OSU's basketball programs have a rich history of success. Since the Cowboys' first game in 1908, OSU has won two national championships and appeared in six Final Fours. In the Big 12, only Kansas exceeds those totals. With 17 postseason appearances and three conference championships, the Cowgirls are continuing to build on an already-established tradition.

While having the benefit of utilizing the game court and backdrop of Gallagher-Iba Arena for practice can be an advantage for both programs, at times they are displaced during other athletic and campus events. A new practice facility is essential in helping both basketball programs continue to recruit, develop and train student-athletes to compete for championships.

The vision plan proposes an addition on the south side of the arena featuring two practice courts and other championship-caliber training spaces.

Pedigo-Hull Equestrian Center

Building off the historic 2021-22 season in which the program captured its eighth Big 12 Conference title and its first overall NCEA national championship, several updates to Pedigo-Hull Equestrian Center are planned.

Similar in size and scope to the Atherton Family Arena, an additional covered arena will be added to the Pedigo-Hull Equestrian Center.

Currently the primary practice arena, the Atherton Family Arena is a 135x270 square foot covered arena. The team also uses the Totusek Indoor Arena, a 100x200 foot climate-controlled facility. The Pedigo-Hull Equestrian Center consists of a saddling barn that includes coaches' offices, locker rooms, a tack room and an athletic training satellite office. It also has a 24-stall horse barn with outdoor runs and several paddocks and pastures. A new multi-purpose team building that includes a team lounge with study area and a fueling station was completed in 2021.

Karsten Creek Golf Course

Opened in 1994, Karsten Creek Golf Course was quickly named the "Best New Course" in the country by Golf Digest. The undulating fairways and challenging bunkers were originally created by renowned golf course designer Tom Fazio. Complementing the course are the clubhouse, three multi-level guest lodges, and a practice and teaching facility. While the course and related amenities have stood the test of time, renovations are needed to improve the facilities infrastructure, create a more challenging course, and enhance the skills of the student-athlete.

Course enhancement will include new irrigation, drainage, fairways, cart paths, and greens. Bunkers and tee boxes will be adjusted to increase the difficulty of play and advance the skills of the golfers. The practice facility will also be renovated to improve the tee boxes, landing zones, short game area and practice putting greens.

Originally constructed in 1997, the indoor practice facility will be upgraded to include state-of-the-art equipment.

Gallagher-Iba Arena Welcome Plaza

Since 1938, Gallagher-Iba Arena has been known as one of the great venues in collegiate athletics. Over time, however, the original east facade of the building has lost its unique prominence as the main gateway of the venue. This project seeks to revive this entrance, creating the welcome that OSU fans and athletes deserve. The plan also proposes adding premium parking and tailgating experiences to enhance the fan experience from the moment they arrive for an event.

The proposed Gallagher-Iba Welcome Plaza parking expansion will create approximately 250 new parking spaces nestled in a park-like setting.

In addition to creating parking, public plaza and walkway, fans will experience an arrival sequence similar to that of Boone Pickens Stadium. With new fan-focused offerings, OSU will have new opportunities to generate revenue.
